NOTICE INTVING BIDS

DESCRIPTION OF WORK: Jordan Valley Water Conservancy District (JVWCD) desires to purchase several new parts as part of its critical parts planning. The work generally includes the manufacturing and delivery of the materials specified in this Contract.

OBTAINING CONTRACT DOCUMENTS: The Contract Documents are entitled: System Operations - Meters Critical Parts. All Contract Documents may be obtained on the District's website (www.jvwcd.org). Prospective bidders must register on the Planholders List at the District's web site under the project to receive project notifications and addenda, if any. Contractors are required to check the District's web site for any addenda prior to submitting a responsive bid. Bids determined to be non-responsive may be rejected.

RECEIPT OF BIDS: Sealed bids will be received at the administration office of Jordan Valley Water Conservancy District, Owner of the Work, located at 8215 South 1300 West, West Jordan, Utah 84088, until October 21, 2026 at 2:00 p.m., or via email to mikeb@jvwcd.gov before the due date and time specified.

OPENING OF BIDS: The bids will be publicly opened and read at the time and location identified above. Attendance is not required by Bidder.

SITE OF WORK: The materials shall be delivered to the District's warehouse located at 8215 South 1300 West, West Jordan, Utah 84088.

AWARD OF CONTRACT: An Award of Purchase Contract, if awarded, will be made within 60 calendar days of the opening of bids. Contract will be awarded based on the overall lowest cost to the Owner and will be made to a responsive and responsible bidder whose bid complies with all the requirements prescribed.

PAYMENT: Payment for materials provided under this contract may be invoiced after delivery of each part whether separate or all together.

BONDS: Bid Bonds and Performance Bonds will not be required for this material purchase contract.

ADDRESS AND MARKING OF BID: The envelope enclosing the bid shall be sealed and addressed to the Jordan Valley Water Conservancy District and delivered or mailed to 8215 South 1300 West, West Jordan, Utah 84088. The envelope shall be plainly marked in the upper left-hand corner with the name and address of the bidder and shall bear the words "Bid for," followed by the title of the Contract Documents.

Electronic bids shall be submitted to the project manager as an email attachment with the words "Bid for," followed by the title of the Contract Documents in the subject line of the email.

SUPPORTING INFORMATION: The following additional items will be requested with the Contract:

NOTICE INTVING BIDS

- A certification of full Warranty of parts.
- Contract dates for submittal development, manufacture and delivery of the parts. Parts must be delivered to the warehouse at the JVVCD main office at the address listed above.

PROJECT ADMINISTRATION: All questions related to this project prior to the opening of bids shall be directed, in writing via email to the project manager for the project. Questions will be accepted until two (2) days prior to the opening of bids. Responses to questions will be published on JVVCD's website.

INSTRUCTIONS TO BIDDERS

FORM OF BID: The bid shall be made on the bid form bound herein. The bid shall be filled out in all respects with accompanying signatures. The attached bid, together with requested supporting information described below, shall be provided as described above.

DELIVERY OF BID: The bid shall be delivered by the time and to the place stipulated in the Receipt of Bids. It is the bidder's sole responsibility to see that his bid is received in proper time.

WITHDRAWAL OF BID: Bids shall be unconditionally accepted without alteration or correction, excepting that bidder may by means of written request, signed by the bidder or his properly authorized representative, withdraw his bid. Such written request must be delivered to the place stipulated in the Receipt of Bids prior to the scheduled closing time for receipt of bids.

EXAMINATION OF BID DOCUMENTS

It is the responsibility of each bidder before submitting a bid:

- To examine thoroughly the Contract Documents and other related data identified in the Contract Documents.
- To consider federal, state, and local Laws and Regulations, including taxing requirements.
- To study and carefully correlate the Bidder's observations with the Contract Documents; and
- To notify the project Manager of all conflicts, errors, ambiguities, or discrepancies in or between the Contract Documents and such other related data.

DISQUALIFICATION OF BIDDERS: If there are reasons for believing that collusion exists among the bidders, all bids will be rejected.

WARRANTY: The successful bidder shall provide in writing the warranty for the different supplied parts.
